

# Cookie policy

Effective on August 1, 2021

This Cookie Policy applies to any Tap Electric product or service that links to this policy or incorporates it by reference. We use cookies to collect and use data as part of our Services.

## What technologies are used?

Type of technology	Description
Cookies	<p>A cookie is a small file placed onto your device that enables website features and functionality. Any browser visiting our sites may receive cookies from us or cookies from third parties such as our customers, partners or service providers.</p> <p>We use two types of cookies: persistent cookies and session cookies. A persistent cookie lasts beyond the current session and is used for many purposes, such as recognizing your cookie preferences. Since a persistent cookie stays in your browser, it will be read by Tap Electric when you return to one of our sites. Session cookies last only as long as the session (usually the current visit to a website or a browser session).</p>

## What are these technologies used for?

Below we describe the ways in which we may use cookies.

Purpose	Description
Security	We use cookies to make your interactions with our Services faster, more secure and to help us detect malicious activity and violations of our User Agreement.

Preferences, features and services	We use cookies to enable the functionality of our Services, and provide you with features, insights and customized content. We also use these technologies to remember information about your browser and your preferences.
Functional	We use cookies to improve your experience on our Services.
Analytics and research	Cookies help us learn more about how well our Services perform in different locations. We or our service providers use cookies to understand, improve, and research products, features and services, including as you navigate through our sites or when you access Tap Electric from other sites, applications or devices.

**Your Choices**

You have choices on how Tap Electric uses cookies. Please note that if you limit the ability of Tap Electric to use cookies, you may worsen your overall user experience, since it may no longer be as personalized to you. It may also stop you from saving customized settings like cookie preferences.

**Browser Controls**

Most browsers allow you to control cookies through their settings, which may be adapted to reflect your consent to the use of cookies. Further, most browsers also enable you to review and erase cookies, including Tap Electric cookies. To learn more about browser controls, please consult the documentation that your browser manufacturer provides.
